**PETITION UNDER 37 C.F.R. 1.78(a)(3) FOR UNINTENTIONALLY DELAYED CLAIM
FOR BENEFIT OF EARLIER FILING DATE UNDER 35 U.S.C. § 120**

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The above identified application as originally filed claimed the benefit of the earlier filing date of its copending parent application which was identified by its title, "Internet Label Production System" and filing date of "September 27, 2001." However, the identification of the parent application did not include its Application Number because as of the filing date of the present application, October 21, 2001, the application number of the parent application had not yet been received.

It is therefore respectfully requested that the paragraph at page 1 of the specification under the heading "CROSS-REFERENCE TO RELATED APPLICATIONS" be replaced with the following paragraph with the missing Application Number inserted.

This is a continuation-in-part of United States application Serial No.
09/965,359 entitled "Internet Label Production System" filed September 27, 2001.

It is requested that the surcharge under 37 C.F.R. 1.17(t) be charged to the Deposit Account of McAndrews, Held & Malloy, Account No. 13-0017.

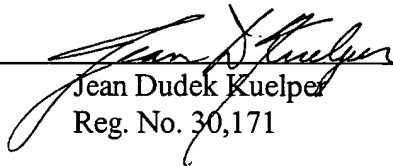

The entire delay between the date that the claim was due under 37 C.F.R. 1.78(a)(3) and the date that the claim was filed was unintentional.

In view of the above, it is respectfully requested that this Petition Under 37 C.F.R. 1.78(a)(3) For Unintentionally Delayed Claim For Benefit of Earlier Filing Date Under 35 U.S.C. § 120 be granted.

Respectfully submitted,

Dated: July 6, 2006
